Thank you!

> Your generous donation has been received!

Thanks for contributing to the running costs of this website. Apart from the cost of maintaining the hardware required to run Aviaddicts, there is the ongoing cost of electricity, the fees for maintaining the web domain name, the email delivery system, and (of course) my time.

Aside from assisting financially, you are providing feedback that the non-trivial amount of effort required to keep Aviaddicts operating is worthwhile.

Thank you.

Dan Lambeth
